

Subject: Adjusted T4 and Adjusted T3

Effective Date: 12/15/2008

Explanation of Change: The T4A and T3A calculations have been modified. The adjustment was necessary due to the recent change in the T3-Uptake reference range. These calculations will be retroactive to 12/15/2008 and corrected reports will be issued for all patients tested between 12/15/08 and 02/26/2009.
