

No Show Policy

Our goal is to provide quality care in a timely manner. All clinics in the Northwest Hospital Ambulatory Network schedule appointments in order to provide each patient with the individual attention you deserve.

Cancellation of an Appointment

We urge you to keep your scheduled appointments whenever possible. In the event you need to cancel, please contact the clinic by phone and provide at least 24 hours' notice. Your early cancellation allows us to offer your appointment time to another patient needing medical care.

No Show Policy

A "no show" is someone who misses an appointment without cancelling it in advance. Patients who no show 3 times in a 12-month period may be dismissed from the clinic.
